Appendix 1

Councillors **APPROVED** the content of the correspondence to be sent to Cheshire East in relation to the proposed car parking charges subject to the following checks and amendments

- (i) Check the number of car parking spaces in the public car park and amend number in letter if incorrect.
- (ii) Check the Jacob's report to ascertain if the suggested installation of yellow lines is to happen at the same time as the proposed introduction of car parking charges or after a period of time.
- (iii) Remove point 7, part B *'properly mitigate the effect of the introduction of charges by the use of a period of say, 90 minutes free parking.'*
