

Audlem Parish Cluster: Crime and Disorder Review: 1st January – 31st March 2021

Introduction

Police crime data from 1st January to 31st March 2021 has been used to inform this presentation.

Every step has been taken to ensure the accuracy of the information provided, however it should be read with caution to allow for rare data recording errors.

NB: Analysis has used 100% of all recorded crime, however a small proportion of data is not displayed on maps due to missing geo-references.

NB: For the map sections an icon may represent more than one incident if the location is a repeat one
