

Cheshire East Councillor, Rachel Bailey, invites you to a Q&A Session

Friday 8 November 2024, 5 – 6.30 pm @ Audlem Methodist Chapel

(due to another booking in the usual room, we have kindly been offered the Chapel itself so please access the meeting via the front doors)

Subject: Audlem Parish Council – Next Steps

I know of and share your concerns that Audlem Parish Council is soon fully operational and able to represent its community.

Three councillors continue to serve and have thankfully sourced an interim clerk, who adhering to due process, has informed Cheshire East Council of Councillor vacancies, notification of which is on the Parish website:

<https://www.audlempc.co.uk/news-1/councillor-vacancies.html>

I am conscious of the many questions raised along with the importance of Audlem Parish Council having the opportunity to move forward on a firm footing and therefore invite you to attend an in-person meeting on 8 November which both a Cheshire East Electoral Officer and the 'Interim Clerk' hope to attend.

Look forward to seeing you then.

Cllr Rachel Bailey

Audlem Ward Councillor
