(please use 'Audlem' as the subject line)

Gladman consider all correspondence received and our response to the issues raised will be set out in a Statement of Community Involvement (SCI). As part of a planning application, Gladman submit to the Local Planning Authority a complete copy of all correspondence received (including any details such as your name, address and email where you have provided them). This ensures all your comments are available to the Council during the consideration of an application and shows who we have consulted. As the SCI forms part of the formal application documents, the Council may publish it online, subject to their own Data Protection policies. Should the application be the subject of an appeal, the same information will be forwarded to the Planning Inspectorate. If further consultation is carried out as part of the planning process, Gladman may use your details to make you aware of this and to ask for your views but will not use this information for any other purpose.

Gladman is proposing a development of up to 130 new market and affordable homes on the land edged red on this plan.

This consultation provides you with an opportunity to shape our proposals at an early stage in the process.

A more detailed plan showing areas of development and green space can be viewed on the website, and we welcome your comments on this.

A finalised plan will form the basis of our planning application to Cheshire East Council.
